STUDIO-A-RAMA

WRUW.FM 91.1

CLEVELAND

Thanks to all
who made this year's
Studio-A-Rama such a success!
Thanks for coming!

HELLO FROM WRUW!

FROM THE GENERAL MANAGER:

Summer is over...and although most people might think of that as horribly bad news, it is definitely not here at WRUW. It's great news, and it means a lot of things: we host our annual Studio-A-Rama concert, a few of our student programmers return from their (not so) distant homes bringing with them great music for you, and we begin our brand new fall schedule!

Yes, we hosted our annual Studio-A-Rama concert. It was over Labor Day weekend, and Mission of Burma put on a wonderful show. We also had great sets from locals like Megachurch, Mike St. Jude and the Valentines, Uno Lady, and many others. A huge thanks to all the people that came out, and to all the bands that played. It was the by far the best Studio-A-Rama I've attended.

And yes, some students have returned to the air. They've amassed some great tunes over the summer, and they are back to turn on, tune in, and (hopefully) not drop out. You know our programmers can't go without giving you the best music and rarely sleep (some volunteer for the grueling 3–5 am slots). The bottom line? Someone is always here, cranking out more music...and better hits.

And as for that brand new fall schedule, you're holding it in your hands right now. We think it's one of the best schedules yet, and our hope is that you will agree. Any day of the week, our DJs are sure to get your ears tingling. There's something for everyone: You want hip hop? We've got that. Indie rock? Sure thing. Public affairs? Check. Bitpop? I'm still not sure what it is, but we've got it! Bluegrass...polka...metal...it's all there. Anyway, all that stuff is on the next two pages. Thanks for listening!

-Dan Hill

FROM THE TELETHON DESK:

Thanks to all our listeners who donated to this year's Telethon! Your support will help us maintain our sound quality, keep us streaming on the web, support this summer's Studio-A-Rama concert, and much more! This year we gave away hundreds of WRUW-FM t-shirts and other logo items to our donors. If you see someone wearing our robot logo, thank them for their support for WRUW!

Thanks again and all the best,

Ron

FROM THE PROMOTIONS DIRECTOR:

Greetings, and thanks for picking up a copy of the WRUW 91.1 Fall Program Guide.

It's a well-known fact that Cleveland, Ohio has the best college-community radio in the country. Our mission here at WRUW is to promote various types of music not played on commercial radio. We are a 15,000 watt nonprofit radio station, and we let our DJ's pick their own music and programming for each of their shows. Tune in, you may end up liking something that you've never heard before.

I would like to thank the various promoters and clubs in town for their continued support of college radio. We offer a wide variety of ticket giveaways for every format of music. If you our putting on an event we may be interested in promoting it. Contact roger@wruw.org for additional information.

Thanks again for choosing the left side of the radio dial, and to all my loyal listeners over all these years, stay metal!

Roger Ganley
